reinforced

HIGH-STRENGTH MIXED HARDWOOD CORE PLYWOOD

Multipurpose high-quality plywood range selected for various applications where strength and resistance are essential.

Its mixed hardwood core combines poplar and eucalyptus globulus, both sourced from European fast-growing tree farms.

Exceptional surface quality, uniform finish, and great stability. Reinforced core with high-quality veneers that stand out for their exceptional bond quality, and properties of uniformity and ease of machining.

Available in:

- **Reinforced Globulus Maple LG:** Maple faces from North American maple, ready-to-use in decorative applications.
- **Reinforced Globulus Poplar LG:** Poplar faces as an optimal platform for different overlaying methods.
- **Reinforced Globulus Poplar SG:** Poplar faces and reinforced core with eucalyptus globulus short grains, ideal for industrial uses.

Available with a UV finish on one or both faces, highlighting the beauty of the natural wood grain while increasing surface hardness.
